

**<Project Title>**

A Project

Presented to the

University of Dhaka, Bangladesh

In Partial Fulfillment

Of the Requirements for the Degree

Master in Information Technology (MIT)

Or

Post Graduate Diploma in Information Technology (PGDIT)

By

<Name>

<Roll>

<Year>

## ABSTRACT

## TABLE OF CONTENTS

|                               |      |
|-------------------------------|------|
| <b>SIGNATURE PAGE</b> .....   | vi   |
| <b>ACKNOWLEDGEMENTS</b> ..... | vii  |
| <b>ABSTRACT</b> .....         | viii |
| <b>LIST OF TABLES</b> .....   | x    |
| <b>LIST OF FIGURES</b> .....  | xi   |
| <b>INTRODUCTION</b> .....     | 1    |
| <b>METHODOLOGY</b> .....      | 2    |
| <b>IMPLEMENTATION</b> .....   | 3    |
| <b>RESULTS</b> .....          | 4    |
| <b>CONCLUSION</b> .....       | 5    |
| <b>REFERENCES</b> .....       | 6    |
| <b>APPENDIX A</b> .....       | 7    |

## LIST OF TABLES

|                                                           |   |
|-----------------------------------------------------------|---|
| Table 1. Effect of User Interface.....                    | 1 |
| Table 2. Most popular Technolgy by Users.....             | 2 |
| Table 3. Sample Table Including Confidence Intervals..... | 2 |

## LIST OF FIGURES

|                                            |   |
|--------------------------------------------|---|
| Figure 1. Use case diagram.....            | 3 |
| Figure 2. Architecture of the System ..... | 4 |
| Figure 3. LogIn Screen .....               | 5 |

## INTRODUCTION

<You can add Objectives, Motivations, Scope and finally the description of the project in this chapter.>

## **METHODOLOGY**

<In this chapter, you can specify the requirements, various diagrams, technology used and finally any specific methodology/algorithms that you followed to implement your project. >

## **IMPLEMENTATION**

<You can use this chapter to describe how implemented your project and present your implementation details.>

## **RESULTS**

<You can present the results of your experimental evaluation if there is any or any other findings. In case of the implementation of a tool, you can add the user manual or present the operational detail of your finished product.>

## **CONCLUSION**

<You can write the final remarks on your project in this chapter. You can also discuss limitations and the future direction for your project under this section. >

## REFERENCES

<Follow a standard style for referencing. You can follow any standard referencing style, but it has to be uniform throughout your entire report.>

## **APPENDIX A**

<You can add supplementary topics, formulas, etc. under this section. If you have more than 1 appendix, label them APPENDIX A, B, etc.>
